

If you require any assistance, you can speak to our customer service team directly via phone on **1300 552 255 (AU)** or **0800 003 329 (NZ)**, or via email at **customer@mercator.com.au**

You can also visit **ikuü.com.au** to access troubleshooting guides and advice on how to get the most from your Mercator Ikuü products, such as guides on scenes and automation.

## 1 Set Up the App

1. Download the Mercator Ikuü app.
2. Tap 'create new account' or 'log in to account'.
3. Follow the in-app prompts and tap 'OK'.

## 2 Connect to the App

To connect your dimmer switch to the app, you must first enter pairing mode. All Mercator Ikuü Wi-Fi products require a 2.4GHz Wi-Fi network.

### Activate Pairing Mode:

Turn the switch off. Quickly press the switch 5 times followed by a 6th press and hold. Hold the switch until you see the switch indicator blinking rapidly.

*Note: If the modules are attached in one multi-gang wall plate, each product will need to be individually paired.*

## 2 Connect to the App (Cont.)

### Pairing Your Product:

1. Open the Mercator Ikuü app.
2. Tap + > Add Device > Auto Scan. The discovery process will begin.
3. When your product is discovered, tap 'next'.
4. Confirm your Wi-Fi details and tap 'confirm'. This will begin the pairing process, which will add your light dimmer switch to the app.
5. Once pairing is complete, you can edit your light dimmer switch's name (optional).
6. To finish the pairing process, tap 'done'.

**Note:** If the pairing process doesn't work, and you are certain that the password for your 2.4GHz Wi-Fi network is correct, try pairing in AP mode. Refer to our website for details.

### 3 Voice Assistant Setup (Optional)

#### Google Assistant

1. Open the google home app and sign in to your google account.
2. Tap + and select Set Up Device > Have Something Already Set Up?
3. Select Mercator Ikuu from the list or type Mercator Ikuu in the search bar.
4. Type in your Mercator Ikuü login details.
5. Tap Link Now > Authorise.

#### Amazon Alexa

1. Open the Amazon Alexa app and sign in to your Alexa account.
2. Tap More > Skills & Games.
3. Search for Mercator Ikuü and tap 'enable'.
4. Enter your Mercator Ikuü account details and tap 'link now'.

**MERCATOR** ikuü  
app features

Want more from your products? The Mercator Ikuü app can help you to customise your smart products any way you like. Detailed guides on these features can be found at [www.ikuu.com.au](http://www.ikuu.com.au).

#### Rooms

Separate your products within the app for easy control based on their location.

#### Scenes

Control multiple products from any room at the same time.

#### Automation

Create triggers that allow products to complete actions automatically. These triggers can be based on time, sensors, or even other products.

#### Routines

Use Mercator Ikuü with other household products to create simple voice commands that trigger customised actions based on your daily activities.

#### Timers

Use a range of a scheduling and countdown timers that trigger actions.

#### Alerts

Manage the kinds of alerts you receive from your products (e.g. security products).

#### Sharing

Share access of your products with others.

#### In-App Customer Service

Talk to our customer service team directly through the app if you have any issues.
