## Specifications

Model: SMLD563-WIFI

Description: 5m RGBW Strip Light

Driver Input: 220-240V~ 50/60Hz

Driver Output: 24V DC 0.75A

Power: 18W

Suitable for indoor use only

## Content

- 1 x Strip light
- 1 x Controller
- 1 x Adapter

## Warning

- Read the instructions prior to installation or use. Please retain the instructions for future reference.
- Keep out of reach of children and pets.
- Ensure power adapter, controller and strip light are installed indoors only.
- Use only power adapter and controller that are supplied with the strip lights. Failure to do may cause damage to the product.
- To clean the LED strip, turn off power and use a clean damp cloth. Wait a few minutes after disconnecting to allow time to cool. Do not use abrasive cleaners.
- Do not bend or twist the strips more than 90°.
- Do not operate while the strip light is coiled.
- Please ensure all cables and controller are effectively fixed to the wall.

## General Handling & Installation

- The LED strip light is designed to illuminate small areas such as display cabinets, cupboards and corridors.
- It is controlled by the Mercator Ikuü app, which is free to download. See separate supporting instruction leaflet.

1. Lay out the LED strip in desired location and ensure the area is clean and dry.

2. Peel backing tape to reveal adhesive surface and install. Please double check the intended location as the tape is designed for one-time use.

3. Connect strip light to the controller such that the arrow mark on the output cable of the controller aligns with the arrow mark on the strip light. Fix the in-line controller using the tape provided.

4. Connect the DC connector of the power adapter to the DC jack of the Wi-Fi in-line controller.

5. Plug power adapter into a standard power point and start the Mercator Ikuü app pairing process.

### Mercator Warranty

Mercator guarantees this product against defects of materials and workmanship for a period of 36 months from the date of purchase provided the product is used for its proper purpose, in accordance with Mercator's recommendations and within such voltage and current limits as are specified by Mercator in relation to the product. Mercator will at its own option and cost make good, or replace this product with the same or similar product and return it to you, or provide a credit for any product manufactured or supplied by it, which proves to be defective within the limits set out above provided that no repairs, alterations or modifications to the product have been undertaken or attempted by anyone, other than Mercator or its authorized agents. Should you wish to make a claim under this guarantee, the product and proof of purchase must be returned pre-paid by you to the place of purchase.

This guarantee is in addition to and does not take away from any other rights and remedies you may have under any relevant law.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Please retain your proof of purchase for all warranty claims.

The packaging material is recyclable. Dispose of the packaging in an environmentally friendly manner and make it available for the recyclable material collection-service.
